

The Geisel mistreatment discussion board serves as a vehicle for discussion on what constitutes student mistreatment for faculty and students. Please also see the document posted above which details the teacher-learner policy.

The Geisel Mistreatment Discussion Board is accessible using your Geisel credentials.

Geisel Credentials: For those who have forgotten their NetID and would like to access their Dartmouth.edu mailboxes and other secure content, detailed instructions can be found at the following site:

<http://geiselmed.dartmouth.edu/oit/blitz/>

This site will also allow you to find your Dartmouth NetID number that will be used to access secure content on the geiselmed.dartmouth.edu web site. You will need to set up your e-mail password in order to access such content, as well. When you access your Dartmouth.edu mailbox you can arrange to have all of your e-mail forwarded from this box to a secondary e-mail address, if you wish. If you click on the "Options" in the upper right corner of your e-mail box, you will see a menu that includes a link to "See all options". That will open a window that includes a link to forward your e-mail.
