

Department of Medicine 2026

Professional Development Series

We are pleased to offer this summer series to meet the needs of faculty, trainees, interprofessional learners, and staff. These sessions will take the place of Morbidity, Mortality, and Improvement, and Medicine Grand Rounds conferences and will include topics in the areas of Academic Advancement, Education, Research, and Scholarship. All sessions are in-person at DHMC and open to any member of the Geisel or Dartmouth Health community.

This series is co-sponsored by the Geisel Academy of Educators and Scholars and will count towards membership requirements for the Academy as indicated by the Geisel shield. For more information about the Geisel Academy of Educators and Scholars, please visit: [Geisel Academy of Educators and Scholars](#)
