LOCATION FOR ALL EVENTS

Dartmouth College Campus, Life Sciences Center, Oopik Auditorium

STATEMENT OF PURPOSE: The Geisel School of Medicine is dedicated to celebrating the words and life of Martin Luther King Jr. through action. This year, we are taking action against inaccessibility, action against the system that makes it harder to walk, harder to run, harder to fly for people of different races and abilities. We come together to celebrate those differences and contribute to MLK’s life work of making America more accessible for all!
