

There Is a Doctor in the House!

THE MAKING OF A PHYSICIAN

Session 1: Tuesday, April 5

BEHIND THE WHITE COAT

What does it take to train a competent and caring physician? The challenges of medical education in the 21st century. Stephen P. Spielberg, MD, PhD, Dean; David W. Nierenberg, MD; Joseph O'Donnell, MD

Session 2: Tuesday, April 12

THOSE IMPORTANT FIRST STEPS

How do you pry with empathy and sensitivity? Learning communication skills—the critical first steps to becoming an effective physician.

Nan Cochran, MD; Deborah A. Peltier, MD

Session 3: Tuesday, April 19

WHO ARE YOU, AND WHAT ARE YOU DOING WITH THAT STETHOSCOPE?

Science—the foundation of modern medical practice! Learn how human biology influences your doctor's every action. A closer look at the cardiovascular and endocrine systems. James R. Bell, MD; Donald L. St. Germain, MD

Session 4: Tuesday, April 26

THE O.R. AND OH BABY!

Experience the thrill of stepping into an operating room for the first time, learn how to tie surgical knots and how to deliver a baby. Todd E. Burdette, MD; Barbara Fildes, MS, CNM; Karen E. George, MD; William W. Young, MD

Session 5: Tuesday, May 3

THE ETHICS AND ART OF CARING

Understanding patients' needs and helping them define opportunities for growth and enrichment through the end of life. James L. Bernat, MD; Ira R. Byock, MD

Session 6: Tuesday, May 10

IT TAKES A VILLAGE

You think adult doctoring is a challenge? Try caring for a stubborn 2-year-old and her family! The unique challenges of teaching and learning the skills of pediatrics. Leslie H. Fall, MD; George A. Little, MD

Session 7: Tuesday, May 17

PLAYING DOCTOR; MAKING THE GRADE

First, a demonstration of virtual reality tools in medical education. Then we ask the critical question: how do we know our students are ready to take the Hippocratic Oath? Joseph V. Henderson, MD; Patricia A. Carney, PhD; David W. Nierenberg, MD

Session 8: Tuesday, May 24

THE INNER SANCTUM

An inside look at Medicine's premier teaching session—the "M&M Conference" where complex medical cases are reviewed and no holds are barred!

Jonathan M. Ross, MD; Robert J. Cimis, MD; Kelly A. Kieffer, MD; Mary-Margaret Andrews, MD; Joseph Perras, MD

OPEN TO EVERYONE
High School Students
to Senior Citizens
