

KAREN L. FORTUNA

46 Centerra Parkway Suite 200; Lebanon, NH 03766 | (603) 722-5727 | Karen.L.Fortuna@dartmouth.edu

EDUCATION

Doctor of Philosophy Florida International University, College of Public Health and Social Work, Miami, FL Social Welfare	August 2014
Certificate in Mental Health and Aging Behavioral Health Connections, Philadelphia, PA Geriatric Mental Health	May 2007
Master of Social Work University of Pennsylvania, School of Social Policy and Practice, Philadelphia, PA	May 2007
Bachelor of Arts Western Washington University, Bellingham, WA Human Services	May 2003

LICENSURE

Licensed Independent Clinical Social Worker New Hampshire	January 2020
---	--------------

TRAINING AND PROFESSIONAL EXPERIENCE

Assistant Professor of Psychiatry, Geisel School of Medicine , Hanover, NH Dartmouth College	September 2018-present
NIMH Postdoctoral Fellowship in Mental Health Services , Lebanon, NH Dartmouth College, Geisel School of Medicine, Center for Aging Research <i>Supported by T32 MH073553-11; Advisor: Stephen Bartels, MD, MS</i>	May 2015-Sept.2018
Research Coordinator , Miami, FL Florida International University, College of Nursing and Health Sciences <i>Supported by Florida Department of Health</i>	2014 –2015
AGE SW Gerontological Social Work Pre-doctoral Fellow <i>Supported by National Association for Gerontology Education in Social Work</i>	2013
NIMHD Graduate Research Assistant , Miami, FL Florida International University, Robert Stempel College of Public Health and Social Work <i>Supported by P20MD002288</i>	2012 – 2014
Project Director , Philadelphia, PA University of Pennsylvania, School of Medicine, Department of Psychiatry, Center for Mental Health Policy and Services Research	2006 – 2012
NIMH Summer Training on Aging Research Topics-Mental Health , San Diego, CA	Aug. 2007

KAREN L. FORTUNA

46 Centerra Parkway Suite 200; Lebanon, NH 03766 | (603) 722-5727 | Karen.L.Fortuna@dartmouth.edu

University of California, San Diego, Department of Psychiatry

HONORS AND AWARDS

Interstellar Initiative <i>New York Academy of Sciences and the Japan Agency for Medical Research and Development</i>	2021
Ally of the Year <i>Western Mass Peer Network</i>	2021
Advanced Research Institute (ARI) in Mental Health and Aging Scholar <i>Geisel School of Medicine at Dartmouth and Dartmouth Hitchcock Health</i>	2021 -2023
Innovation Corps <i>National Science Foundation</i>	2020
Faculty Achievement Award <i>National Association for Gerontology Education in Social Work</i>	2019
Mental Health Information Technology App Advisor Expert Panel <i>American Psychiatric Association</i>	2019-present
The Sloan Research Network on Aging & Work International Institute; Fellow <i>Alfred P. Sloan Foundation</i>	2019
Alvin R. Tarlov & John E. Ware Jr. Award in Patient Reported Outcomes <i>Health Assessment Lab</i>	2018
Postdoctoral Scholar Professional Development Award <i>Dartmouth College</i>	2018
NARSAD Early Career Investigator <i>Brain and Behavior Foundation</i>	2017
Mixed Methods Research Training Program for the Health Sciences <i>Johns Hopkins Bloomberg School of Public Health</i>	2017
NIH Mobile Health Training Institute; Fellow <i>University of California-Los Angeles, Supported by National Institute of Health (R25DA038167)</i>	2016
NIMH New Investigators Workshop, Fellow <i>National Institute of Mental Health</i>	2016
Rand Mini-Medical School; Fellow <i>Rand Corporation Headquarters, Los Angeles, California</i>	2016
NIMH Summer Research Institute in Geriatric Mental Health, Invited Participant <i>Weill Cornell Medical College, Supported by National Institute of Mental Health (R25 MH019946)</i>	2015
Ruth L. Kirchstein National Research Service Award (NRSA) <i>Supported by National Institute on Mental Health (T32 MH073553-11)</i>	2015-2017
Mental Health and Aging Scholar; Fellow	2015

RESEARCH GRANT PARTICIPATION

Ongoing

Japan Agency for Medical Research and Development

August 2021 to August 2022

Title: Supporting Older Adults with Serious Mental Illness Remotely

Objectives: The objective of this award is for early career investigators to iteratively design the Supporting Older Adults with Serious Mental Illness Remotely Intervention. Outcomes will explore biomarkers of loneliness and Resilience.

Role: Principal Investigator

PCORI- Eugene Washington PCORI Engagement Award

January 2020-January 2021

Title: Pre-Menstrual Disorders (PMDD) Community Coalition (PCC) Roundtable

Objectives: The PCC Roundtable will help improve patient outcomes because it will align stakeholders along common goals and set direction for PMDD research. With its recent inclusion in the DSM-5 and ICD-11, PMDD is emerging as a global public health problem, garnering attention for its scientific and market potential. PMDD is also gaining mainstream attention through various sociopolitical movements - mental health, menstrual health, women's rights, suicide prevention, medical gaslighting - and strong patient activism

KAREN L. FORTUNA

46 Centerra Parkway Suite 200; Lebanon, NH 03766 | (603) 722-5727 | Karen.L.Fortuna@dartmouth.edu

campaigns to raise awareness. Objectives include development of a research agenda and a strategic plan for PMDD PCOR will help streamline and focus this new awareness, attention, and energy into effective and impactful research that improves patient outcomes through partnerships with other stakeholders.

Role: Co-Investigator

PCORI- Eugene Washington PCORI Engagement Award

October 2020-October 2021

Title: Engagement of Mothers with Mental Illness and Substance Use in the Context of COVID-19

Objectives: COVID-19 is having profound impact on the way we engage with others. Virtual engagement has never been more important, given the requirements for physical distancing to avoid transmission of the virus. Mothers of childbearing age with mental illness and substance use are a high- risk group, likely to be even more vulnerable during this stressful time. Objectives include (1) to help communities increase capacity to participate in all phases of PCOR/CER by preparing the Virtual Community Engagement Studio Toolkit; (2) to summarize new research questions and evidence needs across mothers, providers and researchers in Community Engagement Memos; and (3) to implement dissemination strategies as recommended by stakeholders and compiled in the MMHRC Virtual Community Engagement Strategy.

Role: Consultant

PCORI- Eugene Washington PCORI Engagement Award

October 2020-October 2022

Title: PCORI Engagement Award- Bridging the Virtual Divide

Objectives: The Covid-19 pandemic has the potential to widen health disparities and increase barriers to research participation for older adults with SMI, a marginalized patient group who die 15-25 years earlier than the general population. Despite the urgent need for innovative virtual engagement strategies, the health disparity experienced by older adults with mental illness remains understudied. We lack data on virtual engagement strategies for older adults with SMI, peers, and clinicians that can decrease isolation, extend our reach to partner in PCOR, and be adapted to the Latinx population. This award will create a Community of Practice that will equip stakeholders to collaborate in PCOR with a shared commitment to digital innovation, co-learning, and health equity.

Role: Co-Investigator

K01 Early Career Investigator Award

July 2019-July 2023

Title: Peer-Delivered and Technology-Supported Illness Self-Management

Objectives: This award includes a 4-year plan to become an independent investigator to pursue a research career developing and testing novel approaches to peer-delivered evidence-based self-management interventions for adults with serious mental illness.

Role: Principal Investigator

Pragmatic Clinical Trial Bartels & Pratt (Co-PIs)

May 2019-May 2025

PCORI

Title: Integrated Physical and Mental Health Self-management Compared to Chronic Disease Self-management

Objective: Comparative effectiveness randomized control trial comparing Integrated Illness Management and Recovery in comparison to Chronic Disease Self-Management Program with 600 people with serious mental illness.

Role: Co-Investigator

KAREN L. FORTUNA

46 Centerra Parkway Suite 200; Lebanon, NH 03766 | (603) 722-5727 | Karen.L.Fortuna@dartmouth.edu

NARSAD Early Career Investigator September 2017- June 2021
Brain and Behavior Foundation
Title: Reducing Early Mortality in People with Serious Mental Illness
Objectives: This award will support the development and testing of a peer-delivered integrated medical and psychiatric self-management intervention for adults with serious mental illness and chronic health conditions. Exploratory outcomes include reduction in early mortality risk factors.
Role: Principal Investigator

Completed

T32 MH073553-11 Bartels (PI) May 2015 – July 2018
National Institute of Mental Health
Title: Training Geriatric Mental Health Services Researchers
Objectives: This award provides salary support and research training in geriatric mental health services for postdoctoral fellows. The fellowship includes supervision from senior researchers at four sites: Dartmouth Geisel School of Medicine, Weill Cornell Medical College, the University of Michigan and the University of Washington.
Role: Research Fellow

Summer Training on Aging Research Topics - Mental Health--Fortuna (PI) 2007
National Institute of Mental Health
Title: Bipolar Disorder in Older Adults
Role: Principal Investigator
