

General surgery

For those considering Surgery as an option, please complete the surgery clerkship in phase 2 before the phase 3 lottery in January. Aim to not do the surgery clerkship as your very first one or last one. PLEASE NOTE THIS IS A SAMPLE SCHEDULE. While the overall course content is an aim prior to graduation, the exact order has significant flexibility. PLEASE BE CERTAIN TO DISCUSS ELECTIVE PLANS WITH YOUR COACH, THE ADSA AND ONE OR MORE SPECIALTY ADVISORS. An away sub-I is not required in general surgery.
