

### Internal Medicine

For those considering IM as an option, please complete the IM clerkship in phase 2 before the phase 3 lottery in January. Aim to not do the IM clerkship as your very first one. PLEASE NOTE THIS IS A SAMPLE SCHEDULE. While the overall course content is an aim prior to graduation, the exact order has significant flexibility. PLEASE BE CERTAIN TO DISCUSS ELECTIVE PLANS WITH YOUR COACH, THE ADSA AND ONE OR MORE SPECIALTY ADVISORS. An away rotation is not required in IM.
