

### IM-peds

For those considering med-peds as an option, please complete the IM and pediatrics clerkships in phase 2 before the phase 3 lottery in January. Aim to not do either of these clerkships as your first or last one if possible. PLEASE NOTE THIS IS A SAMPLE SCHEDULE. While the overall course content is an aim prior to graduation, the exact order has significant flexibility. PLEASE BE CERTAIN TO DISCUSS ELECTIVE PLANS WITH YOUR COACH, THE ADSA AND ONE OR MORE SPECIALTY ADVISORS.
