Anesthesiology
For those considering anesthesiology as an option, try to complete the 2-week anesthesiology elective during phase 2 before the phase 3 lottery in January. Another option would be to do it in the first weeks of phase 3 in April. PLEASE NOTE THIS IS A SAMPLE SCHEDULE. While the overall course content is an aim prior to graduation, the exact order has significant flexibility. PLEASE BE CERTAIN TO DISCUSS ELECTIVE PLANS WITH YOUR COACH, THE ADSA, ADCA or ADCE AND ONE OR MORE SPECIALTY ADVISORS.

For phase 3, **yellow** courses should be completed before the end of block 4.5 which ends on September 8th but can be done in any order. **Green** courses are examples of non-clinical courses that are well suited for interview season, but can include any listed non-clinical, research or reading elective that can be completed between interview days. The **CAPSTONE** course is a required in-person course only given once per year, in the year of graduation. The non-highlighted courses are examples of things that can be done any time during the year. *is a two week block instead of a 4 week block.*
