For those considering EM as an option, please do IM and surgery early in phase 2 and attempt to complete a 2-week EM elective during phase 2 before the phase 3 lottery in January. Another option would be to do it in the first weeks of phase 3 in April. PLEASE NOTE THIS IS A SAMPLE SCHEDULE. While the overall course content is an aim prior to graduation, the exact order has significant flexibility. PLEASE BE CERTAIN TO DISCUSS ELECTIVE PLANS WITH YOUR COACH, THE ADSA, ADCA or ADCE AND ONE OR MORE SPECIALTY ADVISORS.
