Pathology
For those considering pathology as an option, try a 4-week experience in phase 2 before the phase 3 lottery in January. PLEASE NOTE THIS IS A SAMPLE SCHEDULE. While the overall course content is an aim prior to graduation, the exact order has significant flexibility. PLEASE BE CERTAIN TO DISCUSS ELECTIVE PLANS WITH YOUR COACH, THE ADSA, ADCA or ADCE AND ONE OR MORE SPECIALTY ADVISORS.

For phase 3, yellow courses should be completed before the end of block 4.5 which ends on September 8th but can be done in any order.

Green courses are examples of non-clinical courses that are well suited for interview season, but can include any listed non-clinical, research or reading elective that can be completed between interview days. The CAPSTONE course is a required in-person course only given once per year, in the year of graduation. The non-highlighted courses are examples of things that can be done any time during the year. *is a two week block instead of a 4 week block.
