Strategic Plan

Values

Community

Cultivate community through compassion, teamwork, and support.

Excellence

Pursue excellence in teaching, scholarship, and practice in the service of our community.

Inclusion

Celebrate diversity through inclusion, respect, and a commitment to equity.

Innovation

Ignite innovation through collaboration, creativity, and curiosity.

Integrity

Demonstrate integrity and build trust through transparency, accountability, and communication.

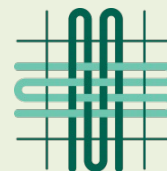

Strategic Plan

	Initiative
1	Cultivate a values-driven culture
2	Name and dismantle barriers to diversity, equity, inclusion & belonging (DEIB)
3	Establish Geisel as a comprehensive and integrated health professions learning institution
4	Create frictionless operations backbone
5	Support curiosity-driven research and team science
6	Offer a career accelerator for early-career scientists
7	Prioritize new research investments
8	Launch a diversity recruitment and retention program
9	Build a state-of-the art multi-use learning and conference facility
