Building Wisdom and Flourishing: Geisel Pilots Innovative New On Doctoring Curriculum

Recognizing that professionalism and wise decision-making are as vital as medical knowledge, Geisel School of Medicine is integrating character education into its preclinical curriculum. Led by Roshini Pinto-Powell, MD, a new pilot program, Building Wisdom and Flourishing, fosters self-reflection and holistic development to help students thrive in their careers and lives.

Patience A. Afulani, MBChB, MPH, PhD
Associate Professor at the University of California, San Francisco, in the Obstetrics, Gynecology, & Reproductive Sciences and Epidemiology & Biostatistics departments

W.E.B. Du Bois Health Equity Seminar

Join us for a W.E.B. Du Bois Health Equity Seminar hosted by The Dartmouth Institute for Health Policy & Clinical Practice, titled "Addressing Inequities in Maternal Health: A Person-Centered Approach," on Wednesday, February 26, 2025, from 12:00 pm to 1:00 pm. Dr. Patience A. Afulani, Associate Professor at the University of California, San Francisco, will discuss the importance of person-centered maternity care (PCMC) in addressing maternal health inequities. She will explore the drivers of poor PCMC, introduce the 'Caring for Providers to Improve Patient Experience' intervention, and share findings from her work in Kenya and Ghana.

IN BRIEF

Today (February 25) at 5 pm in Kellogg 200, please join us for a town hall meeting where Dean Compton will present a financial update for the school.

NEW PROGRAMMING - Tomorrow (February 26) at 5 pm in Auditorium H at DHMC, Dean Compton will host an open forum with campus leaders to discuss impacts and responses to recent federal executive actions:

- David Kotz, Provost
- Audrey Anderson, Interim General Counsel
- Justin Anderson, Senior Vice President for Communications and Government Relations
- Keiselim Montas, Director, Department of Safety & Security and Emergency Operations

These will be in-person meetings. The February 25 meeting will be recorded and made available later to the community. The open forum on February 26 will not be recorded.

Swigart Ethics Fellowship Program Research Presentations and Reception on March 18

The 2024-2025 Swigart Ethics Fellows will present their research projects on March 18, at 4 pm, in Kellogg 200. Student presentations are open to all members of the Geisel and D-H community, and a reception will follow. [More info here.](#)
