Michele Jaeger, Geisel School of Medicine's Registrar Retires

Geisel celebrated Registrar Mikki Jaeger on her retirement after more than 25 years of dedicated service in the Registrar's Office helping medical students navigate the "business" aspects of medical school. Although there have been many changes over the years, she said, "What hasn't changed is the commitment of staff and faculty in giving our students an outstanding education. I have been fortunate to work with amazing people, and I am proud of the work we have done. It has been an honor to be part of this community—I retire with gratitude and will miss being part of it all!"
