Thursday, May 14 • 5-6:30PM
Engineering & Computer Science Center South Atrium

Awards Ceremony Honoring:
Technology Innovation & Commercialization Award: **Dr. Brian Pogue**
Rising Star Innovator Award: **Dr. Nicholas Jacobson**

Dartmouth Technology Innovation Awards

The Dartmouth Office of Entrepreneurship and Technology Transfer cordially invites you to the Dartmouth Technology Innovation Awards Ceremony and reception honoring 2026 awardees Nicholas Jacobson (Dartmouth Rising Star Innovator Award) and Brian Pogue (Dartmouth Technology Innovation & Commercialization Award). The event will be held Thursday, May 14 from 5:00 PM - 6:30 PM in the South Atrium of the Engineering and Computer Science Center. The Dartmouth Technology Innovation Awards recognize and honor outstanding inventive and entrepreneurial faculty and researchers at Dartmouth who have made significant societal and/or economic impact. Karen Fortuna Selected to Serve on a National Technical Expert Panel for the Centers for Medicare & Medicaid Services

Karen L. Fortuna, PhD, an assistant professor of Community and Family Medicine at Geisel has been selected to serve on a national Technical Expert Panel for the Centers for Medicare & Medicaid Services, contributing expertise to the development of a Medicaid Total Cost of Care Measure. This panel plays a pivotal role in shaping federal Medicaid policy, with significant implications for behavioral health integration, health equity, and the broader transformation of Medicaid delivery systems nationwide.

The Public and Political Context of Medical and Health Research

The Foundational Science departments invite you to a lecture on the "Public and Political Context of Medical and Health Research" this Friday, May 1, 2026, at 11 AM at Chilcott Auditorium in Hanover, featuring Mary Woolley, president of Research!America—an alliance that advocates for science, discovery, and innovation to achieve better health for all.

Lewinsein Athletic Center Planned Closure

The [Lewinsein Athletic Center](#) will undergo a planned closure starting on Monday, June 15 through mid August 2026 due to [Dartmouth's campus-wide energy transition project](#). During the closure, the department of Athletics and Recreation will be providing alternative fitness opportunities for all students and existing Lewinsein gym members. Students and gym members will have access to a temporary satellite fitness facility located on the second floor of the [John W. Berry Sports Center](#), as well as access to varsity weight equipment, which will be temporarily housed in [Leverone Field House](#). Please find full details, fitness offerings, and FAQs at www.dartmouthsports.com/LACclosure.
