### Biomedical Data Science Seminar: "Unheard and Unseen Genomic Big Data Visualization"

Please join us on Thursday, July 9 from 12:00 - 1:00 PM for a talk by Eugene Demidenko, professor of biomedical data science and of community and family medicine, on "Unheard and Unseen Genomic Big Data Visualization," exploring next-generation tools for analyzing complex, interactive, and multidimensional genetic network data through animation and sonification. The seminar will be held in person at DHMC Auditorium H (Zoom available upon request). A light lunch will be provided on a first-come, first-served basis. Please contact [biomedical.data.science@dartmouth.edu](mailto:biomedical.data.science@dartmouth.edu) for Zoom details.
