FEATURED STORIES

Terry Fulmer Receives Lienhard Award from National Academy of Medicine

Acknowledging her leadership in advancing healthcare for older adults, Terry Fulmer, adjunct professor of medicine at Geisel, and president emerita of The John A. Hartford Foundation, has received the 2026 Gustav O. Lienhard Award for Advancement of Health Care from the National Academy of Medicine.

DARTMOUTH GEISEL SCHOOL OF MEDICINE

Introducing Geisel's New Visual Identity

The Geisel School of Medicine has introduced a new logo and visual identity. Starting today, a new shield, an updated color palette, and refreshed typography will begin appearing across Geisel's communications, following more than a year of development.

Dartmouth Device Development (3D) Symposium

The annual Dartmouth Device Development Symposium takes place September 17 and 18 at the Hanover Inn. Led by Aaron Kaplan, professor of medicine at Geisel, the symposium serves as a preeminent think tank for the medical device community. It brings together leaders from clinical, business, governmental, financial, and legal sectors to collaborate, exchange ideas, and address shared challenges in the pursuit of bringing new life-saving technologies to market.

ALUMNI AWARDS 2026

2026 Geisel Alumni Awards

The Alumni Council for the Geisel School of Medicine at Dartmouth invites you to the 2026 Alumni Awards Ceremony on Friday, October 2, at 6:00 PM as we recognize outstanding alumni in three categories: Young Alumni, Career Achievement, and Outstanding Service. This event will be held both virtually and in person in Hanover. Here are the 2026 Honorees: <https://dhmcalumdev.hitchcock.org/events/alumni-awards>

Implementation Science Symposium

Join the Dartmouth Center for Implementation Science on Wednesday, October 14, from 8:00 AM - 5:00 PM in Cook Auditorium (Irving Energy Center) for its second annual Implementation Science Symposium featuring leading experts in Implementation Research. The day-long event includes expert presentations and discussions on bridging research and clinical/community practice, followed by a poster presentation and networking reception. All Geisel faculty, researchers, staff, and students are welcome.

OUT & ABOUT

The 2026 Annual Medical Student Research Fair, held September 3 at DHMC, brought together 27 departments and research teams from across Dartmouth Health and Geisel. The event gave medical students the chance to explore research projects, connect with faculty and research mentors, and learn about ongoing research opportunities.
