

International Conference on the Future of Health Professions Education Call for Abstracts

The University of Miami is excited to host the International Conference on the Future of Health Professions Education (ICFHPE) on **November 2-4, 2022, in Coral Gables, Florida.**

The landmark report, "Health professionals for a new century: transforming education to strengthen health systems in an independent world," was published in *The Lancet* in 2010. Now, twelve years later, this conference will provide a forum for leaders in health professions education to have a productive conversation about its future.

This conference will be held in a hybrid format with opportunities to attend in person or virtually. Registration is complimentary; however, in-person attendance is limited to 200 participants.

We invite you to submit an abstract for an in-person poster presentation in one of the following categories:

- Competency-based education
- Inter-professional education
- IT-facilitated education
- Innovations in health professions education

For more information, please visit our conference website: <https://cvent.me/n4zeD2>.

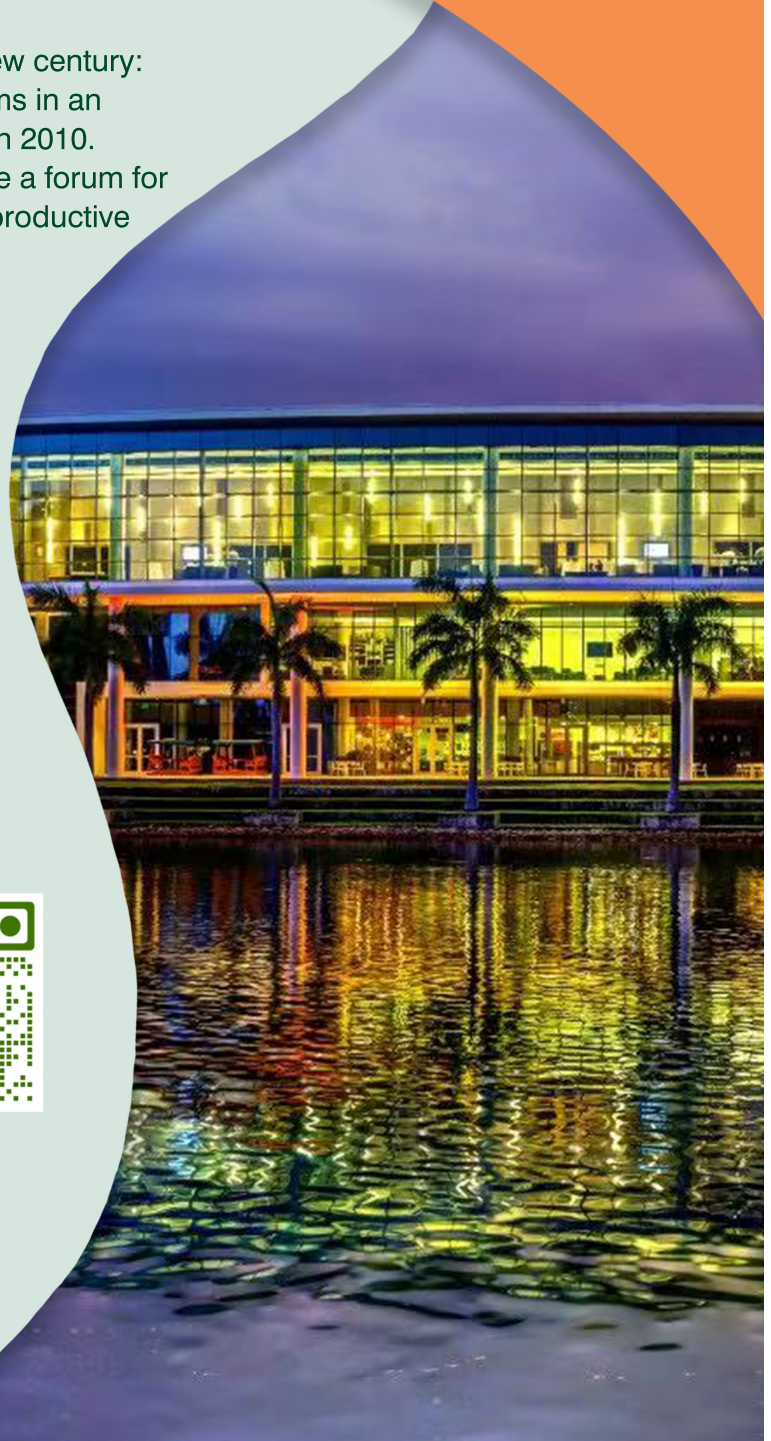

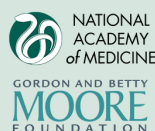

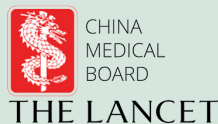

For questions, please contact ICFHPE@miami.edu.
