Subject: Internship Available at Analysis Group

Hi QBS Students,

Please note that Analysis Group has posted a new internship position that would probably work well for the Capstone. You can learn more about it and apply here:

<https://analystcareers-analysisgroup.icims.com/jobs/1457/analyst-intern-healthcare/job>

If you have questions about it, please feel free to write our contact there: holly.juliano@analysisgroup.com. I work in this field (although not for Analysis Group) so I am also happy to discuss with anyone who is interested.

Best,
Keith

If consulting appeals to you, you may also want to look at some of the other firms that do similar work. Here are some of the biggest ones:

Charles River Associates
Bates White
Compass Lexecon
Cornerstone
Brattle Group
NERA

(My firm is quite small and is called Greylock McKinnon Associates.)
