# Individual Learning Plan for Resident

## Baseline knowledge & Learning Plan

The following table highlights the core areas for development of knowledge and skills in education.

Please assess your baseline skills and knowledge, and with your faculty advisor, plan your learning over the 3 years of the tract using the table below

Topic	Comfort with/ knowledge of topic (1 low- 5 high)	Learning Plan & time course
Brain friendly learning		
Instructional design		
Presentation skills		
Active learning methods		
Creating assessments		
Writing MCQs		
Using audience response		
Giving Feedback		
Using received feedback to improve		

## Teaching Sessions (3)

Use the tables below to plan each of the teaching sessions you will develop and deploy. Present your plan to your faculty advisor.

Topic	
-------	--

Audience				
Duration & location				
Goals & objectives: draft below				
CORE				
Supporting 1				Blooms _
Supporting 2				Blooms _
Supporting 3				Blooms _
Supporting 4				Blooms _
Supporting 5				Blooms _
Format: circle below				
Small group	Didactic	Case based	Audience response	Live annotation

For each supporting objective, develop the instructional plan

#	Objective	Instructional Plan
1		
2		
3		
4		
5		

For each supporting objective, develop the assessment

#	Objective	Method of assessment
1		
2		
3		
4		
5		

## Progression

Throughout the tract, document completion of the core topics and method of learning used

Topic	Formal session attended	Supplementary studies (video, article, web)	Competence demonstrated	Advisor initials
Brain friendly learning				
Instructional design				
Presentation skills				
Active learning				
Creating assessments				
Item writing workshop				
Use of audience response				
Feedback and evaluation				

## Feedback

Please track the formal feedback you receive from your advisor during the tract. (Q3mth during 1<sup>st</sup> year, q6mth during 2<sup>nd</sup> and 3<sup>rd</sup> years). Summarize your strengths and areas to focus on improving using the table below.

Session	Date	Summary
Y1 #1		
Y1 #2		
Y1 #3		
Y2 #1		
Y2 #2		
Y3 #1		
Y3 #2
