

PowerScribe Fields to add to personal templates

Copy the red font in the brackets (called a “fill-in-field”) from the public templates listed below and paste them into your personal templates as you see fit.

1. Number of Views

When the tech ends the exam they put in the number of views for the exam

This is sent over the interface in the “Number Of Views” field

Find this field in any of the **Dartmouth DX** templates:

EXAMINATION: [Procedures]

CLINICAL HISTORY: [Reason For Study]

TECHNIQUE:
[Number of Views] view[Views] of the abdomen

COMPARISON:
[Comparison]

AutoText Manager

Name	Owner	Section
DX Abdomen	Dartmouth	Body I
DX Abdomen 1	Dartmouth	Body I
DX AC Joint Bilat	Dartmouth	MSK I
DX AC Joint Left	Dartmouth	MSK I
DX AC Joint Right	Dartmouth	MSK I
DX Ankle Bilateral	Dartmouth	MSK I
DX Ankle Left	Dartmouth	MSK I
DX Ankle Right	Dartmouth	MSK I
DX Chest	Dartmouth	Body I
DX Chest 1	Dartmouth	Body I
DX Chest 2	Dartmouth	Body I
DX Chest Neonate	Dartmouth	
DX Clavicle Bilat	Dartmouth	MSK I
DX Clavicle Left	Dartmouth	MSK I
DX Clavicle Right	Dartmouth	MSK I

Copy and paste into your personal template

2. Other Pertinent Information

Providers in Epic have two spots to type information when ordering an exam- “Reason for Exam” and “Other Pertinent Information”

Find this field in the **Dartmouth Standard Template**:

The screenshot shows the PowerScribe 360 Reporting interface. The top window is a template configuration window with the following fields:

- Owner: [Redacted]
- Name: standard template
- Shortcut: [Empty]
- Description: [Empty]
- Folder: [Dropdown]
- Private:
- Categorization: [Empty]

The main text area shows the following structure:

- EXAMINATION: [Procedures]
- CLINICAL HISTORY: [Reason For Study]
- [Other Pertinent Information]
- TECHNIQUE: [Technique]
- COMPARISON:

The bottom window is the AutoText Manager, showing a list of templates. The "standard template" is highlighted in red. The "Owner" field in the "Browse" section is also highlighted in red and set to "Dartmouth".

Name	Modality	Anatomy	Folder

US Early OB	US	Uterus	
US Fetal	US	Uterus	
US OB	US	Uterus	

Copy and paste into your personal template

3. Radimetrics Information

Add the CT contrast and Radiation dose from the Radimetrics interface.

Find this information in the **Dartmouth Radimetrics Template**:

The screenshot displays a software interface with two main sections. The top section is a form for creating or editing a template, and the bottom section is an AutoText Manager table.

Form Fields:

- Owner: Site
- Name: Radimetrics
- Shortcut: [Empty]
- Description: [Empty]
- Sections: CT...
- Private:
- Categorization: Age Lower: [Empty] Upper: [Empty]

Text Fields (Red Brackets):

- EXAMINATION: [Procedures]
- CLINICAL HISTORY: [Reason For Study] [Other Pertinent Information]
- TECHNIQUE:
 - Contrast Dose: [MEDRAD1]
 - Radiation Dose: [RADIMETRICS DOSE REPORT]
- COMPARISON: [Comparison]

AutoText Manager Table:
