NEW RESEARCH WEBSITE

THE NEW GEISEL STUDENT RESEARCH WEBSITE IS HERE! On the website you will find information about the research onboarding, both intra and extramural research opportunities, summer research opportunities links to resource education materials and much, much more. The website is constantly being updated with new projects and information.

Everything related to Geisel medical student research is available at this site!

The website is accessed via the Medical Student Affairs website. Student Affairs>>Student Resources>>Current Students>>Medical Student Research or at this link:
<https://geiselmed.dartmouth.edu/student-research>

April 2023

RESEARCH MENTORING BREAKFAST

The first annual Research Mentoring Breakfast will be held on May 24th at 7:00am to honor all M4 students and their research mentors. The event will be held at DHMC and the first Departmental and Faculty Research Mentoring Awards will be presented.

RESEARCH GAP YEAR OPPORTUNITIES

The Student Research website has a detailed list of gap year opportunities for students interested in completing a dedicated research year in various departments via an academic scholar year. Opportunities are available in TDI (MS or MPH), Pathology, Molecular and Systems Biology, Radiation Oncology, and Radiology. More information can be found on our website!

MI SUMMER RESEARCH PROJECTS

For those MI students interested in summer research, research project opportunities are rolling in from Geisel/DH/affiliated faculty. We are adding more and more projects every week. Please visit the Geisel student webpage for an updated list of current projects:

PROFESSIOAL DEVELOPMENT SERIES EVENT

“Inside the Medical Journal Review Process”

Dr. Sandra Wong

Dr. Wong is the William N. and Bessie Allyn Professor in Surgery at the Geisel School of Medicine. She continues to serve on multiple editorial boards and will provide an insider's view of the medical review process from the editor's perspective. All students interested in gaining better understanding of the board review process are invited to attend.

Wednesday, May 10th | 6:00pm | Auditorium G
