FEATURED STORIES

Geisel's New Medical and Health Sciences Students Begin Their Journey

The Geisel School of Medicine has welcomed new students from the medical, Master of Public Health (residential and hybrid), and Health Care Research MS programs to the medical school community. For many, this marked their first steps into the medical and healthcare professions.

Dartmouth Synergy Launches New Website

A redesigned SYNERGY website was launched on August 7, 2026. The site features a dynamic, user-friendly layout, improved navigation, and an event calendar to better inform the Dartmouth community about upcoming training, events, and networking opportunities.

OUT & ABOUT

The Evaluation and Assessment team at Geisel came together for a retreat on August 6, focused on team-building and forward-thinking strategy. They dug into the major priorities facing assessment and evaluation at Geisel and spent the day brainstorming a strategic roadmap to tackle them. We're excited for what's ahead!
